Get to know your Carer

We would like to take the time to introduce you to the carers, managers and seniors.

I became the registered manager of Tendercare Ltd in 2005. Before that I have many years experience in different aspects of care from Residential care, to Rehabilitative care and relevant legislation areas. Since becoming the manager at Tendercare I have had many lovely years getting to know staff, residents and the family members. I have gained a good relationship with many of them and strive to continue doing this. I have 3 children, a girl and two twin boys. I like to travel in my spare time and see new places. I hope to continue to make every residents day a pleasant one here at Tendercare for many years to come.

*It's your birthday!
Party, eat cake, open presents,
blow out candles, and make a wish!!!*

Dignity Champion here at Tendercare

Here at Tendercare we practice and uphold the principles of Dignity. Our in house Dignity champion is Julie Shepherd who is also the Teamleader here at the home. The priorities of the Dignity Champion are as follows:

- ❖ To uphold the Ten Dignity Do's (www.dignityincare.org.uk)
- ❖ Stand up and challenge disrespectful behaviour rather than just tolerate it
- ❖ Act as a good role model by treating other people with respect particularly those who are less able to stand up for themselves
- ❖ Speck up about dignity to improve the way that services are organised and delivered
- ❖ Influence and inform colleagues
- ❖ Listen to and understand the views and experiences of citizens

We are currently going through an upgrade at the home by having a renovation. This will include more bedrooms, decorating of public areas and revitalising the home. We are hoping to strive to make the home a more welcoming and comfortable place for our residents, families and staff.

So during this time if you could please possibly hold with us as we continue with all the work, we would appreciate it.

If you have any suggestions regarding this please feel free to let us know. We are always happy to hear your suggestions and implement them when possible.

Please watch out for our exciting upcoming May edition....
